Any adjourned or postponed meeting resulting from an adjournment or postponement of the Meeting will be held at a time and place to be specified either by FLINT before the Meeting or by the Chair of the Meeting, as applicable.

The board of directors of FLINT has fixed May 6, 2024 as the record date (the "**Record Date**") for determining Shareholders who are entitled to receive notice of and to vote at the Meeting or any adjournment(s) or postponement(s) thereof. If you are a Registered Shareholder, please exercise your right to vote by completing and signing the enclosed form of proxy and depositing it with Computershare Investor Services Inc. by mail to 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax to 1-866-249-7775 not later than 9:00 a.m. (Calgary time) on Friday, June 21, 2024, or not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in Calgary) before any adjournment(s) or postponement(s) of the Meeting. The Chair of the Meeting may waive or extend this time limit for receipt of completed proxies by Computershare Investor Services Inc. without notice.

If you are not a Registered Shareholder and hold your shares through a broker or other agent, please complete the form of proxy or voting information form that you have received, in accordance with the instructions provided therein, so that your Common Shares can be voted in accordance with your instructions.

(signed) "*Sean McMaster*"

INFORMATION CONTAINED IN THIS CIRCULAR

This Circular is furnished in connection with the solicitation of proxies by and on behalf of management of FLINT for use at the Meeting to be held at the time and place and for the purposes set forth in the Notice of Meeting accompanying this Circular.

The information contained in this Circular is given as of May 10, 2024, except as otherwise noted. No person has been authorized to give information or to make any representations in connection with the items of business to be considered at the Meeting or any other matters described herein other than those contained in this Circular and, if given or made, any such information or representations should not be relied upon in making a decision as to how to vote or be considered to have been authorized by the Company. Shareholders should not construe the contents of this Circular as legal, tax, investment or financial advice and should consult with their own professional advisors in considering the relevant legal, tax, investment, financial or other matters contained in this Circular.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This Circular contains statements that may include forward-looking information or forward-looking statements (collectively, "**forward-looking information**") within the meaning of applicable securities laws. In some cases, forward-looking information can be identified by terminology such as "may", "will", "should", "expect", "plan", "anticipate", "believe", "estimate", "predict", "potential", "continue" or the negative of these

terms or other similar expressions concerning matters that are not historical facts. Forward-looking information may relate to management's future outlook and anticipated events or results and may include statements or information regarding the future plans or prospects of FLINT which reflect management's expectations, intentions, plans and beliefs. Such forward-looking information reflects management's current beliefs and is based on information currently available to management of FLINT. In particular, this Circular contains forward-looking information pertaining to: the purpose of the Performance Incentive Plan; potential payout amounts under the Performance Incentive Plan and the accounting treatment thereof; the expected benefits of the enterprise resource planning system; and the factors considered when selecting candidates to sit on the Board.

Shareholders are cautioned not to place undue reliance on forward-looking information. By its nature, forward-looking information involves numerous assumptions, known and unknown risks and uncertainties, of both a general and specific nature, that could cause actual results to differ materially from those suggested by the forward-looking information or contribute to the possibility that predictions, forecasts or projections will prove to be materially inaccurate. Many of these assumptions are based on factors and events that are not within the control of FLINT and may not prove to be correct. Should one or more of these factors or events fail to materialize, or should assumptions underlying the forward-looking information prove incorrect, actual results may vary materially from those described herein as anticipated, believed, expected, planned, intended or estimated.

A number of factors could cause actual events or results to differ materially from the events and results discussed in the forward-looking information, including, but not limited to, risks related to compliance with debt covenants, access to credit facilities and other sources of capital for working capital requirements and capital expenditure needs, availability of labour, dependence on key personnel, economic conditions, commodity prices, interest rates, regulatory change, weather and risks related to acquired businesses. These factors should not be considered exhaustive. Risks and uncertainties about FLINT's business are more fully discussed in FLINT's disclosure materials, including its annual information form dated March 12, 2024 and management's discussion and analysis for the year ended December 31, 2023, filed with the securities regulatory authorities in Canada and available on the Company's profile on SEDAR+ at www.sedarplus.ca.

In formulating the forward-looking information, management has assumed that business and economic conditions affecting FLINT will continue substantially in the ordinary course, including, without limitation, with respect to general levels of economic activity, regulations, taxes and interest rates. Although the forward-looking information is based on what management of FLINT consider to be reasonable assumptions based on information currently available to it, there can be no assurance that actual events or results will be consistent with this forward-looking information, and management's assumptions may prove to be incorrect.

The forward-looking information contained in this Circular is made as of the date of this Circular. The Company undertakes no obligation to publicly update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Undue reliance should not be placed on forward-looking information.

New factors emerge from time to time, and it is not possible for the Company to predict all of these factors or to assess in advance the impact of each such factor on the Company's business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking information.

The forward-looking information contained in this Circular is expressly qualified by this cautionary statement.

ADVISORY REGARDING NON-GAAP FINANCIAL MEASURES

The terms "EBITDAS" and "Adjusted EBITDAS" (collectively, the "**Non-GAAP financial measures**") are financial measures used in this Circular that are not standard measures under IFRS. FLINT's method of

calculating Non-GAAP financial measures may differ from the methods used by other issuers. Therefore, FLINT's Non-GAAP financial measures, as presented, may not be comparable to similar measures presented by other issuers.

EBITDAS refers to income (loss) from continuing operations in accordance with IFRS, before depreciation and amortization, interest expense, income tax expense (recovery) and long-term incentive plan expenses. EBITDAS is used by management and the directors of FLINT as well as many investors to determine the ability of an issuer to generate cash from operations. Management believes that in addition to income (loss) from continuing operations and cash provided by operating activities, EBITDAS is a useful supplemental measure from which to determine FLINT's ability to generate cash available for debt service, working capital, capital expenditures and income taxes. The most directly comparable IFRS measure to EBITDAS is income (loss) from continuing operations. For information on the most directly comparable IFRS measure, composition of EBITDAS and a reconciliation to income (loss) from continuing operations, please refer to the sections entitled "Advisory regarding Non-GAAP Financial Measures" and "2023 Summary of Results – Continuing Operations" in our management's discussion and analysis for the year ended December 31, 2023, available on the Company's profile on SEDAR+ at www.sedarplus.ca, which is incorporated by reference herein.

Adjusted EBITDAS refers to EBITDAS excluding impairment of assets, restructuring expense, gain on sale of property, plant and equipment, loss (recovery) of contingent consideration liability, other income and one time incurred expenses. FLINT has used Adjusted EBITDAS as the basis for the analysis of its past operating financial performance. Adjusted EBITDAS is a measure that management believes (i) is a useful supplemental measure from which to determine FLINT's ability to generate cash available for debt service, working capital, capital expenditures, and income taxes, and (ii) facilitates the comparability of the results of historical periods and the analysis of its operating and financial performance which may be useful to investors. The most directly comparable IFRS measure to Adjusted EBITDAS is income (loss) from continuing operations. For information on the most directly comparable IFRS measure, composition of Adjusted EBITDAS and a reconciliation to income (loss) from continuing operations, please refer to the sections entitled "Advisory regarding Non-GAAP Financial Measures" and "2023 Summary of Results – Continuing Operations" in our management's discussion and analysis for the year ended December 31, 2023, available on the Company's profile on SEDAR+ at www.sedarplus.ca, which is incorporated by reference herein.

Investors are cautioned that the Non-GAAP financial measures are not alternatives to measures under IFRS and should not, on their own, be construed as an indicator of performance or cash flows, a measure of liquidity or as a measure of actual return on the shares. These Non-GAAP financial measures should only be used with reference to FLINT's consolidated interim and annual financial statements, which are available on the Company's profile on SEDAR+ at www.sedarplus.ca or on FLINT's website at www.flintcorp.com.

VOTING INFORMATION

Solicitation of Proxies

The solicitation of proxies in connection with the Meeting is made by and on behalf of management of FLINT. It is expected that the solicitation of proxies will be made primarily by mail, but proxies may also be solicited personally, by telephone or by other forms of electronic communication by directors, management, employees and agents of the Company. FLINT may reimburse brokers and other persons holding shares in their name or in the name of nominees for their costs incurred in sending proxy materials to their principals in order to obtain their proxies. All costs of the solicitation will be borne by FLINT.

Notice and Access

FLINT has elected to use the "notice-and-access" provisions (the "**Notice-and-Access Provisions**") under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") for the distribution of proxy-related materials in connection with the Meeting to the beneficial

holders of Common Shares, being Shareholders who hold their shares in the name of a broker or an agent (a "**Beneficial Shareholder**"), and to the registered holders of Common Shares, being Shareholders whose name appears on the Company's records as a holder of Common Shares. All Shareholders will receive a notice containing information prescribed by the Notice-and-Access Provisions together with either a form of proxy or a voting instruction form. The Company will pay for intermediaries to deliver the proxy-related materials to non-registered Shareholders who are "non-objecting beneficial owners" and "objecting beneficial owners" (as defined in NI 54-101), including a voting instruction form. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders by allowing a reporting issuer to post its information circular in respect of a meeting of its shareholders and related materials online.

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy are Barry Card, Chief Executive Officer of the Company, and Jennifer Stubbs, Chief Financial Officer of the Company. **Each Shareholder is entitled to appoint a person or company (who need not be a Shareholder) other than the individuals named in the enclosed form of proxy to represent them at the Meeting. A Shareholder desiring to appoint some other person or company to represent them at the Meeting may do so by inserting the desired person's or company's name in the blank space provided in the form of proxy and depositing the completed and signed proxy with Computershare Investor Services Inc. All completed and signed proxies should be deposited by mail to 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax to 1-866-249-7775 not later than 9:00 a.m. (Calgary time) on Friday, June 21, 2024, or not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in Calgary) before any adjournment(s) or postponement(s) of the Meeting. Late proxies may be accepted or rejected by the Chair of the Meeting at their discretion and the Chair of the Meeting is under no obligation to accept or reject any particular late proxy. The Chair of the Meeting may waive or extend this time limit for the receipt of completed proxies by Computershare Investor Services Inc. without notice.**

A proxy given pursuant to this solicitation may be revoked by an instrument in writing, including another proxy bearing a later date, executed by the Shareholder or by such Shareholder's attorney duly authorized in writing, and deposited with Computershare Investor Services Inc. by mail to 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax to 1-866-249-7775 not later than 9:00 a.m. (Calgary time) on Friday, June 21, 2024, or not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in Calgary) before any adjournment(s) or postponement(s) of the Meeting, or with the Chair of the Meeting on the day of, but prior to the commencement of, the Meeting or any adjournment(s) or postponement(s) thereof, or in any other manner permitted by law.

Voting of Proxies

The Common Shares represented by the proxies which are hereby solicited will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. Where a Shareholder fails to specify a choice with respect to a matter referred to in the Notice of Meeting, the persons named in the enclosed form of proxy will vote the Common Shares represented by such proxy **IN FAVOUR** of the matters proposed by management at the Meeting.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting, or other matters that may properly come before the Meeting or any adjournment(s) or postponement(s) thereof, to the fullest extent permitted by law, whether or not such amendment, variation or other matter is routine or contested. As of the date hereof, the Company is not aware of any amendments, variations or other matters to be brought before the Meeting. However, if any amendments or variations to matters identified in the Notice of Meeting or any other matters which are not now known to management should properly come before the Meeting or any adjournment(s) or postponement(s) thereof, the Common Shares represented by properly executed proxies given in

favour of the persons designated by management of the Company in the enclosed form of proxy will be voted on such matters pursuant to such discretionary authority.

Advice to Beneficial Shareholders

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most of the Shareholders of FLINT are Beneficial Shareholders who hold their Common Shares in an account with a brokerage firm, financial institution or other agent. In Canada, the vast majority of such shares that are held in an account with a brokerage firm, financial institution or other agent are registered in the name of CDS & Co., the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for most brokerage firms in Canada. Common Shares that are held in this manner in an account with a brokerage firm, financial institution or other agent, or their nominee, can only be voted upon instruction from the Beneficial Shareholder. Without specific instructions, such broker or nominee is prohibited from voting such Common Shares.

Applicable regulatory policy requires the broker to seek voting instructions from the Beneficial Shareholder in advance of the Meeting. Every broker has its own mailing procedures and provides its own return instructions, which Beneficial Shareholders should carefully follow in order to ensure their Common Shares are voted at the Meeting. The form of proxy supplied by the broker is sometimes identical to the form of proxy provided to registered shareholders. However, its purpose is limited to instructing the broker, as registered shareholder, how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining voting instructions from clients to Broadridge. Broadridge mails a scannable voting instruction form in lieu of the form of proxy. Beneficial Shareholders are asked to properly complete and return the voting instruction form in accordance with the directions contained therein, which include by mail, facsimile, toll-free call or over the internet, in order to vote their Common Shares. Broadridge then tabulates the results of all voting instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A voting instruction form from Broadridge cannot be used as a proxy to vote Common Shares directly at the Meeting and it must be properly completed and returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

The purpose of these procedures is to permit Beneficial Shareholders to direct the voting of the Common Shares that they beneficially own. **Should a Beneficial Shareholder wish to attend and vote at the Meeting, or any adjournment(s) or postponement(s) thereof, in person (or to have another person appointed as proxyholder to attend and vote on behalf of the Beneficial Shareholder), the Beneficial Shareholder should follow the procedure in the voting instruction form and request a form of legal proxy which will grant the Beneficial Shareholder the right to attend the Meeting, and any adjournment(s) or postponement(s) thereof, and vote in person. Beneficial Shareholders should carefully follow the instructions in the voting instruction form, including those regarding when and where the proxy or voting instruction form is to be delivered.**

A Beneficial Shareholder may revoke a proxy or voting instruction form by written notice or by submitting a proxy or voting instruction form bearing a later date. In order to ensure that a revocation of a proxy or voting instruction form is acted upon, the written notice should be received by Broadridge well in advance of the time by which the revocation of proxy or new proxy is required to be deposited. See "*Appointment and Revocation of Proxies*" above.

Voting and Record Date

As of the date hereof, there are 110,001,239 Common Shares issued and outstanding. Each holder of Common Shares of record at the close of business on May 6, 2024 is entitled to one vote for each Common Share then held on all matters to be acted upon at the Meeting, provided that if a Shareholder has transferred the ownership of any of their Common Shares after the Record Date and the transferee of those Common Shares produces properly endorsed Common Share certificates or otherwise establishes that they own the Common Shares and demands, not later than 10 days before the Meeting, or any shorter

period that the chair of the Meeting may permit, that their name be included in the list of Shareholders before the Meeting, then the transferee shall be entitled to vote such Common Shares at the Meeting.

Principal Holders of Voting Shares

To the knowledge of the Company's directors and executive officers, as at the date hereof, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to any class of voting securities of the Company, other than:

Name	Number of Common Shares	Percentage of Outstanding Common Shares
Canso Investment Counsel Ltd. ⁽¹⁾	17,588,076	16%

Note:

(1) In its capacity as portfolio manager for and on behalf of certain accounts that it manages.

Quorum, Adjournment and Postponement

Pursuant to the by-laws of FLINT (the "**By-Laws**"), a quorum for the Meeting is two Shareholders personally present and representing, either in their own right or by proxy, not less than 25% of the outstanding Common Shares.

The proxies submitted for the Meeting remain valid for purposes of voting at any adjournment(s) or postponement(s) of the Meeting. Therefore, a Shareholder is not required to re-submit their proxy form for the purposes of any adjourned or postponed Meeting.

Approval Requirement

All of the matters to be considered at the Meeting are ordinary resolutions requiring approval by a simple majority of more than 50% of the votes cast in respect of the resolution by or on behalf of Shareholders present in person or represented by proxy at the Meeting.

PARTICULARS OF THE MATTERS TO BE ACTED UPON

Receipt of Financial Statements and Auditors' Report

The consolidated financial statements of the Company for the year ended December 31, 2023, together with the auditors' report thereon, both of which will be placed before the Shareholders at the Meeting, were mailed to Shareholders who have indicated to the Company that they wish to receive them. The financial statements are also available on the Company's profile on SEDAR+ at www.sedarplus.ca. No action is required or proposed to be taken at the Meeting with respect to the financial statements.

Appointment of Auditors

At the Meeting, Shareholders will be asked to approve a resolution re-appointing Ernst & Young LLP, Chartered Professional Accountants, as auditors of the Company, to hold office until the next annual meeting of Shareholders or until their successors are appointed and to authorize the Board to fix their remuneration. Ernst & Young LLP have acted as the auditors of the Company since 2009.

Unless otherwise instructed, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Ernst & Young LLP as auditors of the Company and to authorize the Board to fix their remuneration.

The following table provides information about the fees paid or payable to Ernst & Young LLP for the two most recently completed financial years:

Type of Service Provided	2022	2023
Audit Fees ⁽¹⁾	\$730,000	\$722,600
Audit-Related Fees ⁽²⁾	\$51,075	\$4,500

All Other Fees ⁽⁴⁾	\$12,201	\$8,000
Total	\$827,346	\$735,620

Notes:

- (1) Audit fees are for the audit of the annual financial statements or services that are normally provided in connection with statutory and regulatory filings or engagements.
- (2) Audit-related fees are for assurance and related services that are reasonably related to the performance of the audit or review the Company's financial statements and are not reported as Audit Fees. In 2022, audit-related services included procedures regarding internal control over financial reporting.
- (3) Tax fees are for tax compliance, consulting and planning advisory services.
- (4) All other fees include all other non-audit services. In 2022 and 2023, all other fees related to a subscription fee for an IFRS portal and professional development for the Company's accounting staff.

Election of Directors

Director Nominees

In accordance with the ABCA, the size of the Board is determined by resolution of the Board. The Board currently consists of six directors. At the Meeting, Shareholders will be asked to elect the six nominees named below to act as directors, five of whom are being re-elected. The term of office of each of the current directors of the Company expires at the close of the Meeting. If elected, each director will hold office until the close of the next annual meeting or until their successor is elected or appointed, unless earlier resigned or otherwise removed from office.

It is not anticipated that any of the nominees will be unable to continue to serve as directors of the Company, but if that should occur for any reason prior to the Meeting, or any adjournment or postponement thereof, then, in the absence of a specification to the contrary in the proxy appointing them as proxyholders, the persons named in the enclosed form of proxy intend to vote for such other nominees as their best judgment may deem advisable.

As described below under "Majority Voting Policy for Director Elections", the Board has adopted a Majority Voting Policy for the election of directors, whereby if a particular director nominee does not receive a majority of the votes (50% + 1 vote) cast in favour of their election, they will not be considered to have received the confidence and support of Shareholders, even though they will have been duly elected as a matter of corporate law. It is the intention of the persons named in the enclosed form of proxy, if named as proxy and not expressly directed to the contrary in the form of proxy, to vote those proxies FOR the election of each of the nominees specified below.

Unless otherwise instructed, the persons named in the enclosed form of proxy intend to vote FOR the election of the six proposed nominees whose names are set forth below.

For each person proposed to be nominated for election as a director of the Company, the following table sets forth their name, place of residence, age (at December 31, 2023), the year in which they became a director, a brief biography, their present principal occupation or employment, their membership on committees of the Board, their attendance at Board and committee meetings during 2023, the number of Common Shares of the Company or any of its subsidiaries beneficially owned, controlled or directed (directly or indirectly) by them and the votes for and withheld for their election at the last annual meeting of

Shareholders, if applicable. This information is based partly on our records and partly on information received by us from the nominees.

Four of the nominees named below are "independent" within the meaning of NI 52-110. Mr. Dean T. MacDonald is a former executive with the Company having served as Executive Chairman (June 2015 to January 2019), Interim Chief Executive Officer (June 2017 to August 2018) and President and Chief Executive Officer (December 2008 to June 2015). Mr. MacDonald received termination payments of an aggregate of \$1,500,000 payable over 2019-2021 in connection with termination of his services, which were conditioned upon him continuing to serve as a director without remuneration for such role, and therefore is not considered independent. Corporate Cease Trade Orders, Bankruptcies, Penalties or Sanctions

To the knowledge of the management of the Company, except as set forth below, no nominee is, at the date of this Circular, or has been, within ten years before the date of this Circular,

- (a) a director, chief executive officer or chief financial officer of any company (including the Company) that: (i) was subject to an order that was issued while the nominee was acting in the capacity as director, chief executive officer or chief financial officer; or (ii) was subject to an order that was issued after the nominee ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

For the purposes of section (a) above, the term "order" means a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days.

Mr. Clarke was a director of Trees Corporation, a company listed on the Cboe Canada Exchange, from November 2020 to January 5, 2024. To the knowledge of the management of the Company, no nominee has, within ten years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or became subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the nominee.

To the knowledge of management of the Company, no nominee has:

- (a) been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a nominee.

Advance Notice Provisions

The By-Laws contain advance notice provisions (the "**Advance Notice Provisions**") which provide the Company's Shareholders, Board and management with a clear framework for the nomination of directors to ensure that Shareholders will have sufficient time and information to consider proposed director nominees and to ensure for the orderly conduct of business at Shareholder meetings. The By-Laws provide that only persons who are nominated in accordance with the Advance Notice Provisions shall be eligible for election as directors of the Company at any meeting of Shareholders.

The Advance Notice Provisions fix a deadline by which Shareholders must submit director nominations by written notice to the secretary of the Company prior to any meeting of Shareholders and specify the information that a nominating Shareholder must include in such written notice in order for director nominees to be eligible for nomination and election at such meeting. No person nominated by a Shareholder will be

eligible for election as a director of the Company unless nominated in accordance with the Advance Notice Provisions.

In the case of an annual meeting of Shareholders, valid written notice of the nomination to the secretary of the Company must be made not less than 30 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, the valid written notice of nomination to the secretary of the Company must be made not later than the close of business on the 10th day following such public announcement. In the case of a special meeting of Shareholders (which is not also an annual meeting) called for the purpose of electing directors (whether or not also called for other purposes), valid written notice of the nomination to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made. Where notice-and-access is used for the delivery of proxy related materials in respect of any such meeting as aforementioned, and the notice date in respect of the meeting is not less than 50 days before the date of the applicable meeting, the valid written notice of nomination must be made not less than 40 days prior to the date of the applicable meeting.

In the event of an adjournment or postponement of a meeting of Shareholders or any announcement thereof, a new time period shall commence for the giving of timely notice under the Advance Notice Provisions.

The Board may, in its sole discretion, waive any requirement of the Advance Notice Provisions.

A copy of the By-Laws that are applicable to the Meeting are available under the Company's profile on SEDAR+ at www.sedarplus.ca (filed on February 2, 2022).

Majority Voting Policy for Director Elections

The Board has adopted a Majority Voting Policy for the election of directors, whereby if a particular director nominee does not receive a majority of the votes (50% + 1 vote) cast in favour of their election, they will not be considered to have received the confidence and support of Shareholders, even though they will have been duly elected as a matter of corporate law. A person elected as a director who is considered for the purpose of this policy not to have received the confidence and support of the Shareholders is required to immediately submit their resignation as a director, to be effective upon acceptance by the Board. A director who tenders a resignation pursuant to this policy will not participate in any meeting of the Board or any committee of the Board at which the resignation is considered. The Board will consider the tendered resignation and make its decision whether or not to accept that resignation within 90 days after the date of the relevant Shareholders' meeting and promptly announce it in a press release. If the Board does not accept the resignation of the director, the press release will fully state the reasons for that decision. A copy of such press release will be provided to the TSX.

The Board will accept the tendered resignation, absent exceptional circumstances. In considering whether or not to accept the submitted resignation, the Board will consider all factors that it deems in its discretion to be relevant, including, without limitation, any stated reasons why Shareholders withheld votes for election of such director, the length of service and qualifications of the director whose resignation has been tendered, the director's contribution to the Company and the Company's corporate governance policies. The Majority Voting Policy applies only to uncontested elections, meaning elections where the number of nominees for election as director is equal to the number of directors to be elected.

Amendment of By-Laws

On March 12, 2024, the Board approved an amendment to section 10.11 of the Company's by-laws (the "**By-Law Amendment**") to reduce the quorum requirement for meetings of the Company's Shareholders.

Prior to the By-Law Amendment, the quorum threshold for Shareholder meetings was at least two persons present in person or by proxy, together holding or representing not less than **25%** of the outstanding votes entitled to be cast at a shareholder's meeting in order for the transaction of business at such meeting. The By-Law Amendment lowers the quorum threshold percentage to **15%** of the outstanding votes entitled to be cast at such meeting.

The Board believes the reduction in the quorum requirement from 25% to 15% is in the best interests of the Company to allow it to properly and reliably convene Shareholder meetings. In making its determination the Board considered a number of factors, including, among other things, (i) historical voter turnout at the Company's three most recent Shareholder meetings; (ii) the Company's predominantly retail shareholder base; (iii) the Company's reliance on the votes cast by Canso and certain of the Company's directors and employees, which are not sufficient on their own to meet the previous 25% quorum threshold; and (iv) the potential costs associated with adjourning a Shareholder meeting in the event that a 25% quorum threshold could not be achieved.

For the last three years, the Company has relied on votes cast by Canso and the Company's directors (in particular, Mr. Dean MacDonald, who holds approximately 6.04% of the Common Shares) in order to obtain votes representing approximately 22.93% of the Company's Common Shares, which was still below the previous 25% quorum threshold. For the remainder of the votes required to satisfy quorum, the Company has historically had to rely, without any certainty that such votes will be cast, on certain employees and retail Shareholders. While all Shareholders are encouraged to vote at each Shareholder meeting, the Company acknowledges that Beneficial Shareholders often rely on their brokers to obtain proxies and do not often cast their votes.

At the Company's three most recent Shareholder meetings, the Common Shares represented at such meetings were 28.8% (2023), 28.6% (2022) and 26.0% (2021), in each instance narrowly above the Company's previous 25% quorum threshold.

Failure to achieve quorum at a Shareholder meeting would require the Company to adjourn the meeting, and set a new time and location for such subsequent meeting. Depending on the timing of the subsequent meeting, the Company could be required to prepare new proxy materials. Preparing proxy materials and the costs that accompany any proxy solicitation, including costs related to printing and mailing proxy materials to Shareholders, is a significant expense and there is a risk that even if the Company adjourned a Shareholders' meeting, it may still not be able to achieve quorum at such meeting, at the 25% threshold.

The Board believes the reduction of the quorum threshold to 15% will reduce the risk of failing to achieve a quorum for Shareholder meetings and better allow the Company, which is widely held, to conduct business at its Shareholder meetings. Consequently, the Board determined that it is in the best interest of the Company to establish a quorum threshold of two persons present in person or by proxy, together holding or representing not less than 15% of the outstanding votes entitled to be cast at such meeting and adopted the By-Law Amendment.

No other revisions were made to the Company's by-laws in connection with the By-Law Amendment, other than updating Company references in the by-laws to "FLINT Corp.", to reflect the name change of the Company that occurred on December 1, 2022, after the previous by-laws were adopted.

The By-Law Amendment is effective until confirmed, confirmed as amended or rejected by Shareholders at the Meeting. If confirmed, the Company's by-laws, as amended, will continue in effect. If rejected, the By-Law Amendment will cease to be effective on the date it is rejected by Shareholders.

The Company's amended and restated by-laws, amended as described above, are available under the Company's profile on SEDAR+ at www.sedarplus.ca (filed on May 1, 2024) and on the Company's website at www.flintcorp.com.

Recommendation

The Board recommends that Shareholders vote in favour of the ordinary resolution to approve the amended and restated by-laws. **It is the intention of the management designees named in the accompanying form of proxy to vote FOR the ordinary resolution to approve the amended and restated by-laws, unless otherwise directed in the instrument of proxy.**

Shareholder Approval

In order to become effective, the ordinary resolution approving the amended and restated by-laws must be passed by at least a majority of the votes cast with respect of the resolution by Shareholders present in person or voting by proxy at the Meeting:

"BE IT RESOLVED THAT:

1. the second amended and restated by-law no. 1 of the Company, in the form adopted by the Board of the Company on March 12, 2024, is hereby ratified, confirmed and approved; and
2. any one officer or director of the Company is authorized and directed for an on behalf of the Company to execute or cause to be executed, under the corporate seal of the Company or otherwise, and to deliver or cause to be delivered, all such other documents and instruments and to perform or cause to be performed all such other acts and things as in such person's opinion may be necessary or desirable to give full effect to the foregoing resolutions and the matters authorized thereby, such determination to be conclusively evidenced by the execution and delivery of such document, agreement or instrument or the doing of any such act or thing."

COMPENSATION DISCUSSION AND ANALYSIS

Overview

This compensation discussion and analysis describes the Company's overall approach to executive compensation for the year ended December 31, 2023. In particular, this compensation discussion and analysis focuses on:

- significant elements of FLINT's senior management compensation programs;
- principles on which FLINT makes compensation decisions and on which it determines the amount of each element of senior management compensation; and
- analysis and discussion of the material compensation decisions made by the CGC Committee for 2023.

The information in this compensation discussion and analysis is given as of December 31, 2023, unless otherwise stated.

Objectives of FLINT's Compensation Programs

FLINT's compensation programs are designed to meet the following principal objectives:

- to incent and align the interests of management with the long-term interests of Shareholders;
- to enhance the growth and profitability of FLINT;
- to provide competitive levels of compensation in order to attract, retain and motivate high-quality individuals at all levels of the organization;
- to encourage individual performance and achievement of business objectives;
- to maintain an entrepreneurial spirit by linking incentives to performance; and
- to foster a sense of teamwork and fairness.

FLINT's overall approach to executive compensation is to attract, engage and retain highly capable executives through reward structures aligned with our business objectives and consistent with rewards among our comparators and to align employee efforts and goals with our Shareholders' goals of continued value creation.

Compensation Governance

Compensation and Corporate Governance Committee

The CGC Committee makes recommendations to the Board regarding senior management compensation and human resource policies, including compensation of the CEO. The CGC Committee reports to the Board, as set out in its terms of reference, and the Board has final approval on compensation matters.

During 2023, the CGC Committee was comprised of Messrs. Karl Johansson (Chair), Jordan Bitove, H. Fraser Clarke and Sean McMaster, each of whom are considered "independent" within the meaning of NI 52-110.

The members of the CGC Committee have direct experience that is relevant to their responsibilities in executive compensation, as well as skills and experience that enable them to make informed decisions on the suitability of the Company's executive compensation policies and practices. More specifically, each CGC Committee member has had experience acting in senior management roles for various companies throughout their career, including oversight for performance, compensation and succession planning with respect to senior management and personnel. Further, each CGC Committee member has been a member of several boards of directors where human resources and compensation issues were the object of discussion, recommendation and implementation on a regular basis. For additional information regarding the skills and experience of the members of the CGC Committee, see the applicable nominee biography under the heading "*Particulars of the Matters to be Acted Upon – Election of Directors*".

Risk Management

During each annual review and assessment by the CGC Committee of the Company's executive compensation program, the CGC Committee takes into consideration the risks associated therewith. At the present time, the CGC Committee has not identified any risks associated with the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

The CGC Committee regularly evaluates the Company's executive compensation program to ensure it does not inadvertently encourage executives to engage in inappropriate risk taking that could have a material adverse impact on our business. The CGC Committee seeks to reduce compensation-related risk through the following program design features:

- making a majority of the targeted annual compensation of each NEO contingent on achieving predetermined short-term, medium-term and long-term objectives tied to financial and operational performance, among others;
- regularly benchmarking base, variable and total compensation against a group of similarly sized competitors in the sectors in which the Company competes for business, as well as comparably sized organizations in the construction and energy services sectors; and
- providing strong oversight of the executive compensation program by using discretion to adjust metrics or payouts based on results, events and/or individual circumstances.

There are no provisions in any agreements or any of the Company's policies, including the Board's policies, restricting the directors or executive officers from purchasing any financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of Common Shares, or securities convertible into Common Shares, granted as compensation or held, directly or indirectly, by the directors or executive officers. The Company is not aware of any purchases of such financial instruments by any NEO or director during the most recently completed financial year.

Compensation Consultants and Advisors

The Company did not retain a compensation consultant or advisor to assist the Board or the CGC Committee in determining compensation for any of the directors or officers in 2022 or 2023.

The table below provides a summary of the fees paid by the Company to compensation consultants and advisors for the two most recently completed financial years.

Year Ended December 31	Name of Compensation Consultant or Advisor	Executive Compensation-Related Fees	All Other Fees
2022	n/a	Nil	Nil
2023	n/a	Nil	Nil

Reward Strategy and Policy

The Company's executive reward strategy is designed around the principles of pay for performance, clear alignment with creating value for Shareholders, active engagement and motivation, and competitive positioning for recruiting, engaging and retaining superior talent in the Canadian construction and energy services sectors.

Base salary is linked to excellence in executing business strategy, defined responsibilities and sustained contributions. The AIP is linked to the achievement of critical annual performance metrics, including Corporate Adjusted EBITDAS, a non-IFRS measure (see "*Advisory Regarding Non-GAAP Financial Measures*"), and individual performance is linked to the execution of defined annual business plans and strategies. Long-term incentive compensation is linked to the achievement of specified performance metrics and individual performance over a three-year period.

Generally, FLINT's target positioning is as follows:

- Base salary is targeted to the median of the Comparator Group;
- Total cash (the sum of base salary and annual incentives) is targeted to the median total cash of the Comparator Group for performance at target and up to the 75th percentile for superior performance;
- Total direct compensation (the sum of target total cash and the present value of long-term incentive grants) is targeted to the median total direct compensation of the Comparator Group and up to the 75th percentile for superior performance; and
- Total compensation (the sum of total direct compensation plus benefits and perquisites) is targeted to the median of the Comparator Group and up to the 75th percentile for superior performance.

Target positioning for each role and individual also considers internal equity among the NEOs and other executive team members.

FLINT competes for executive talent within the construction and energy services sectors, as well as the broader energy sector. Accordingly, the Company compiles and reviews executive compensation data from a cross-section of similarly sized competitors in the sectors in which it competes for business, as well as comparably sized organizations in the construction and energy services sectors.

The Company's 2023 comparator group (the "**Comparator Group**") included the following companies:

- Badger Infrastructure Solutions Inc.
- Bird Construction Inc.
- CES Energy Solutions Corp.

- North American Construction Group Ltd.
- Matr Corp. (formerly ShawCor Ltd.)
- Terravest Industries Inc.
- Total Energy Services Inc.
- Vertex Resource Group Ltd.

The CGC Committee reviews the Comparator Group annually and adjusts the group for changes in FLINT's scope and size as well as structural changes in the sector, such as mergers and new entrants. The only change to the Comparator Group relative to last year was the addition of Bird Construction Inc.

Named Executive Officers

For the year ended December 31, 2023, the Named Executive Officers were: Barry Card, Chief Executive Officer; Jennifer Stubbs, Chief Financial Officer; Neil Wotton, Chief Operating Officer; Murray Desrosiers, Senior Vice President, Legal and Corporate Development; Herb Thomas, Vice President, Operations; and Randy Watt, former Chief Financial Officer.

Components of Executive Compensation

This section describes the compensation structures and plans in force in 2023. Compensation of the Company's executives consists of base salary, annual incentive plan awards, long-term incentives, and benefits and perquisites.

Base Salary

FLINT pays a base salary as a means of providing a non-performance based element of compensation that is certain and predictable and is generally competitive with market practice. Base salary is targeted to median levels of base salary among the Comparator Group and actual individual base salary reflects the experience and capabilities of each executive as well as their sustained level of contribution.

Base salary is reviewed annually by the CGC Committee. For NEOs other than the CEO, the CGC Committee reviews the individual tally sheets for each NEO that array the complete history of base salary, annual incentives and long-term incentives against the Comparator Group and a cross-section of survey data and the CEO's assessment and recommendations for adjustments, if any. For the CEO, the CGC Committee reviews the individual tally sheet for the CEO, conducts its own performance assessment and makes its recommendations to the Board.

Annual Incentive Plan

The AIP is a broad-based plan for salaried employees, including the NEOs, and is linked to the achievement of specified corporate performance metrics and individual objectives, in each case established at the beginning of the year. Where performance is below pre-defined threshold levels, no amounts will be payable under the AIP. The Board and the CGC Committee review the performance and may adjust calculated AIP payments based on their judgment.

Corporate performance metrics for the AIP include safety (measured by Total Recordable Incident Frequency), Corporate Adjusted EBITDAS, business unit contribution margin, working capital (measured by average days sales outstanding) and individual objectives as set by the CEO (or by the CGC Committee, in the case of the CEO).

For corporate leaders (which include all NEOs, except Mr. Thomas), corporate performance metrics are assigned a 60% weighting and individual objectives are assigned a 40% weighting. For business unit leaders (such as Mr. Thomas), corporate performance metrics are assigned an 80% weighting and individual objectives are assigned a 20% weighting.

Each NEO is assigned a target annual incentive that ranges from 50% to 100% of base salary with actual payments linked to the achievement of pre-defined corporate and/or business unit performance metrics and the attainment of individual objectives. The payout under the AIP can range from 0% to 200%. The achievement of Board-approved budget levels can result in a payout at 100%. Performance above budget can result in a payout of up to 200%.

Performance Incentive Plan

The Company's long-term incentive plan is the Performance Incentive Plan. Through this plan, the Company seeks to align the interests and performance of its employees with the Company's business strategy and, ultimately, the creation of long-term value for its Shareholders.

The Performance Incentive Plan provides participants (officers, employees and other personnel) with the opportunity, through the grant of awards ("**PIP Awards**"), to earn a long-term incentive cash payment amount ("**PIP Payout**"). The directors are not participants under the Performance Incentive Plan.

At the time of granting a PIP Award, the Board or the CGC Committee establishes the performance period (typically three years), the performance metrics and respective weightings, the performance threshold and target levels, and corresponding payout percentages.

A participant's payout for a PIP Award (the "**PIP Payout**") is calculated by multiplying the PIP Target by the PIP Multiplier, where:

- (a) the PIP Target is the dollar amount calculated as the participant's annual base salary in effect on the first day of the performance period multiplied by the participant's long-term incentive target (expressed as a percentage of the annual base salary). For the NEOs, the long-term incentive targets are 200% for Mr. Card, 120% for Ms. Stubbs and Mr. Wotton, 100% for Mr. Desrosiers, and 50% for Mr. Thomas. Mr. Card's long-term incentive target for 2023 was set at 250% in recognition of the fact that he served as Interim Chief Executive Officer and Chief Executive Officer for nine months in 2022 with a long-term incentive target of 120%; and
- (b) the PIP Multiplier is the percentage, which ranges from 0% to 200%, determined by the Board based on its evaluation of the level of attainment of the specified corporate performance metrics and the participant's individual performance, in each case over the three-year performance period. Where attainment of the performance metrics is below pre-defined threshold levels, no PIP Payout amount will be payable.

Any amounts earned under the Performance Incentive Plan at the end of the three-year performance period will be reported in the summary compensation table as non-equity incentive plan compensation (long-term incentive plans).

The treatment of outstanding PIP Awards in the event of death, termination for cause, termination without cause, voluntary resignation and in the event of a change of control is set out below under the heading "*Termination and Change of Control Benefits*".

See "*2023 Compensation Decisions – Performance Incentive Plan*" for a description of the awards that were granted in 2023.

Benefits and Perquisites

The Company maintains a broad-based benefit program, including medical, dental and life insurance, for its employees, including the NEOs. The Company provides a company vehicle or monthly taxable automobile allowances to senior executives.

The Company has a savings plan to assist its employees in meeting their savings goals. The Company matches each employee's contributions to a maximum of 4% of their base salary. The combined contributions are allocated by the employee to a registered retirement savings plan account, a tax-free savings account or a non-registered investment account. Investment options under the savings plan include a suite of professionally managed investment funds.

2023 Compensation Decisions

For 2023, the CGC Committee undertook the following steps in determining executive compensation:

- Reviewed progress against performance targets and implications for variable pay.
- Reviewed compensation materials provided by management in advance of compensation-related meetings, including individual tally sheets for each NEO that array the complete history of base salary, annual incentives and long-term incentives against the Comparator Group and a cross-section of survey data.
- Reviewed performance and made recommendations for the Board's consideration and approval regarding base salary, annual incentives, long-term incentive plan awards and benefits and perquisites.

In establishing recommendations for the Board's consideration, the CGC Committee first assesses performance at the corporate level and then assesses the individual performance of the Chief Executive Officer and each of the other NEOs. In assessing 2023 performance, the following achievements were noted:

- Reported Corporate Adjusted EBITDAS of \$28.2 million in 2023, which exceeded 2022 actual of \$27.2 million but was below the budget for 2023 of \$31.3 million.
- Achieved industry-leading safety performance as evidenced by a TRIF of 0.33 in 2023, which was a decrease of 8% from the average TRIF for 2021-2022.
- Successfully completed 22 turnaround projects in 2023, which including the on-boarding of over 3,400 employees (totalling >3,600 employees at peak) and the transfer of 948 employees through the Workforce Coordination Program.
- Continued to advance the Company's organic growth strategy, which is focussed on both end market diversification and geographic expansion.
- Received new contract awards and renewals totalling approximately \$419.1 million in 2023.
- Continued to advance the Company's people plan, which is focused on the attraction, retention and development of employees.
- Completed operationalization of the new enterprise resource planning (ERP) system, which was implemented in October 2022.
- Achieved an average days sales outstanding of 81.7 days for the last 10 months of 2023, which was a reduction of 3.3 days from 2022. Note: the first two months of 2023 were excluded from the calculation as they were negatively impacted by a blackout on billings due to the implementation of the new ERP.
- Completed the consolidation of the fabrication and weld overlay business into the maintenance and construction business in the fourth quarter of 2023 to achieve operational efficiencies and enhance the value offering for customers.

- Established new strategic relationships with Cold Lake First Nations and Kwikwetlem First Nation. Continued to advance strategic relationships with Fort McMurray First Nation and Blueberry River First Nation.

Base Salary

On March 2, 2023, the CGC Committee met to consider the base salaries for the NEOs and to receive the CEO's assessment and recommendations for adjustments. The CGC Committee considered several factors, including the individual tally sheets for each NEO that array the complete history of base salary, annual incentives and long-term incentives against the Comparator Group, individual performance and labour market conditions.

The CGC Committee recommended (and the Board subsequently approved) the following changes to the base salaries effective April 2, 2023: Neil Wotton \$321,360 (+3%); Murray Desrosiers \$288,400 (+3%); and Herb Thomas \$285,578 (+9%). In connection with the appointment of Barry Card as Interim Chief Executive Officer on March 4, 2022, his base salary was increased to \$416,000 (+39%) and, in connection with his appointment as Chief Executive Officer on August 1, 2022, his base salary was increased to \$450,000 (+8%).

Looking Ahead to 2024

On March 12, 2024, the CGC Committee met to consider the base salaries for the NEOs and to receive the CEO's assessment and recommendations for adjustments. The CGC Committee considered several factors, including the compensation data for the Comparator Group, individual performance, labour market conditions and the timing of prior increases. The CGC Committee recommended (and the Board subsequently approved) the following changes to the base salaries of the NEOs effective March 31, 2024: Barry Card \$525,000 (+17%); Jennifer Stubbs \$309,000 (+3%); Neil Wotton \$331,000 (+3%); Murray Desrosiers \$297,000 (+3%); and Herb Thomas \$294,145 (+3%).

Annual Incentive Plan

On March 2, 2023, the CGC Committee met to consider the performance metrics and targets under the AIP for 2023. The CGC Committee recommended (and the Board subsequently approved) the performance metrics and targets, which are listed in the table below.

On March 12, 2024, the CGC Committee met to consider the proposed payout under the AIP for 2023 performance. The following table shows the Company's 2023 performance relative to the corporate performance scorecard.

Performance Metric	Weighting⁽¹⁾	Performance Target	Result	Result as % of Target	Payout %
Corporate Adjusted EBITDAS (\$ millions)	40%	\$31.3	\$28.2	90%	36%
Average Days Sales Outstanding	10%	82 days	82 days	100%	10%
Safety (TRIF)	10%	0.35	0.33	140%	14%

Performance Metric	Weighting ⁽¹⁾	Performance Target	Result	Result as % of Target	Payout %
Individual Performance ⁽²⁾	40%	Meets Expectations	Meets Expectations	100%	40%
Total					100%
Total (assuming Individual Performance ranking of Exceeds Expectations)					120%

Notes:

- (1) The weightings shown in the table are for a corporate leader, which includes all of the NEOs (other than Mr. Thomas).
- (2) Individual Performance is measured through two elements: (i) competency of the individual against position requirements; and (ii) achievement of goals set at the beginning of 2023 that aligned with the corporate strategic plan and objectives. There are five possible ratings for individual performance: needs improvement (0% payout); partially meets expectations (50% payout); meets expectations (100% payout); exceeds expectations (150% payout); and outstanding (200% payout).

The following table shows the annual targets under the AIP and the actual payout received in 2023 for each of the Named Executive Officers.

Name	Annual AIP Target		2023 AIP Payment	
	Amount (\$)	As % of Base Salary	Amount (\$)	As % of Annual AIP Target
Barry Card	450,000	100%	540,000	120%
Jennifer Stubbs ⁽¹⁾	112,500	75%	112,500	100%
Neil Wotton	239,265	75%	239,265	100%
Murray Desrosiers	214,725	75%	214,725	100%
Herb Thomas	139,917	50%	165,241	118%

Note:

- (1) Ms. Stubbs annual target under the AIP for 2023 was pro-rated to reflect the fact that she commenced employment with the Corporation on July 10, 2023.

Looking Ahead to 2024

On March 12, 2024, the CGC Committee recommended (and the Board subsequently approved) the following targets for the NEOs under the AIP (expressed as a percentage of annual base salary): Mr. Card 100%; Ms. Stubbs 75%; Mr. Wotton 75%; Mr. Desrosiers 75%; and Mr. Thomas 50%.

Performance Incentive Plan – Payout of 2021 PIP Award

On March 4, 2021, the Board approved the grant of a PIP Award with a three-year performance period (2021-2023) (the “**2021 PIP Award**”). The performance metrics and weightings for the 2021 PIP Award were: Corporate Adjusted EBITDAS 30%; Average Days Sales Outstanding 10%; Long-Term Debt Reduction 30%; Total Recordable Incident Frequency 10%; and Individual Performance 20%.

As the 2021 PIP Award was one of the initial awards under the Performance Incentive Plan, the Board committed to monitor the estimated payout to ensure that it was achieving an appropriate pay-for-performance alignment. In early 2023, the Board determined that the estimated payout was not reflective of the performance achieved due largely to challenges with the Long-Term Debt Reduction performance metric. To address this concern, the Board established a supplemental performance measure based on

Corporate Adjusted EBITDAS for 2022-2023 as the basis for which it would exercise the discretion provided under the Performance Incentive Plan to determine the payout multiplier for the 2021 PIP Award.

The following table shows the calculation of the PIP Multiplier for the 2021 PIP Award.

Performance Metric	Weighting	Target	Result	Payout %	PIP Multiplier
2021-2023 Corporate Adjusted EBITDAS (\$ millions)	30%	\$62.9	\$68.4	85%	25.5%
2022-2023 Corporate Adjusted EBITDAS (\$ millions)	30%	\$51.5	\$55.4	124%	37.2%
Average Days Sales Outstanding	10%	80 days	83 days	75%	7.5%
Safety (TRIF)	10%	0.35	0.34	107%	10.7%
Individual Performance ⁽¹⁾	20%	Meets Expectations	Meets Expectations	100%	20%
Total					100.9%

Note:

- (1) Individual Performance is measured through two elements: (i) competency of the individual against position requirements; and (ii) achievement of goals set at the beginning of each year that aligned with the corporate strategic plan and objectives. There are five possible ratings for individual performance: needs improvement (0% payout); partially meets expectations (50% payout); meets expectations (100% payout); exceeds expectations (150% payout); and outstanding (200% payout). To calculate the PIP Multiplier, an average of the individual performance rankings for each year of the three-year performance period is used.

The following table shows, for the 2021 PIP Award, the annual target and payout for each of the Named Executive Officers.

Name	Long-Term Incentive Target ⁽¹⁾		2021 PIP Award Payout	
	Amount (\$)	As % of Base Salary	Amount (\$)	As % of Long-Term Incentive Target
Barry Card	330,000	120%	365,861	110.9%
Neil Wotton	360,000	120%	363,121	100.9%
Murray Desrosiers	250,000	100%	252,168	100.9%
Herb Thomas	125,000	50%	138,584	110.9%
Randy Watt ⁽²⁾	360,000	120%	272,341	75.6%

Notes:

- (1) The long-term incentive target for a PIP Award is calculated using the individual's annual base salary in effect on the first day of the performance period for such award.
(2) Mr. Watt's payout was pro-rated to reflect the fact that he worked 27 months of the 36-month performance period.

The amounts earned under the 2021 PIP Award are reported in the summary compensation table as non-equity incentive plan compensation (long-term incentive plans).

Performance Incentive Plan – 2023 PIP Award

On March 2, 2023, the Board approved the grant of a PIP Award with a three-year performance period (2023-2025) (the “**2023 PIP Award**”). The performance metrics and weightings for the 2023 PIP Award were: Corporate Adjusted EBITDAS 30%; Average Days Sales Outstanding 15%; Total Recordable Incident Frequency 15%; Execution of the Strategic Plan 20%; and Individual Performance 20%.

Performance Incentive Plan – Outstanding Awards

The following table sets forth the potential payout amounts for the PIP Awards held by the NEOs at December 31, 2023 at target and maximum performance achievement. Where attainment of the performance metrics is below pre-defined threshold levels, no amounts will be payable.

Name	Award Name	Performance Period	Potential PIP Payout ⁽¹⁾ (\$)		Payout Date
			Target	Maximum	
Barry Card	2021 PIP Award	2021-2023	330,000	660,000	March 2024

	2023 PIP Award	2023-2025	374,400	748,800	March 2026
Murray Desrosiers	2021 PIP Award	2021-2023	250,000	500,000	March 2024

Herb Thomas	2021 PIP Award	2021-2023	125,000	250,000	March 2024
	2022 PIP Award	2022-2024	125,000	250,000	March 2025
	2023 PIP Award	2023-2025	131,250	262,500	March 2026
Randy Watt ⁽²⁾ (former Chief Financial Officer)	2021 PIP Award	2021-2023	270,000	540,000	March 2024
	2022 PIP Award	2022-2024	150,000	300,000	March 2025

Note:

- (1) The potential PIP Payout (at target) is calculated as the participant’s annual base salary (in effect at the beginning of the performance period) multiplied by the participant’s long-term incentive target (expressed as a percentage of their annual base salary). For the 2021 PIP Award and the 2022 PIP Award, the long-term incentive plan targets were 120% for Messrs. Card and Wotton, 100% for Mr. Desrosiers and 50% for Mr. Thomas. For the 2023 PIP Award, the long-term incentive plan targets were 250% for Mr. Card, 120% for Mr. Wotton, 100% for Ms. Stubbs and Mr. Desrosiers and 50% for Mr. Thomas. For 2023, Mr. Card’s long-term incentive plan target was increased from 200% to 250% in recognition of the fact that he served as Interim Chief Executive Officer and Chief Executive Officer for 10 months in 2022. For 2023, Ms. Stubbs’ long-term incentive plan target was reduced from 120% to 100% in recognition of the fact that she did not commence employment until July 10, 2023.
- (2) Mr. Watt’s potential PIP Payout (at target) has been pro-rated to reflect the number of months worked during the relevant performance period for each PIP award.

Any amounts earned under the Performance Incentive Plan at the end of the applicable performance period will be reported in the summary compensation table as non-equity incentive plan compensation (long-term incentive plans).

Looking Ahead to 2024

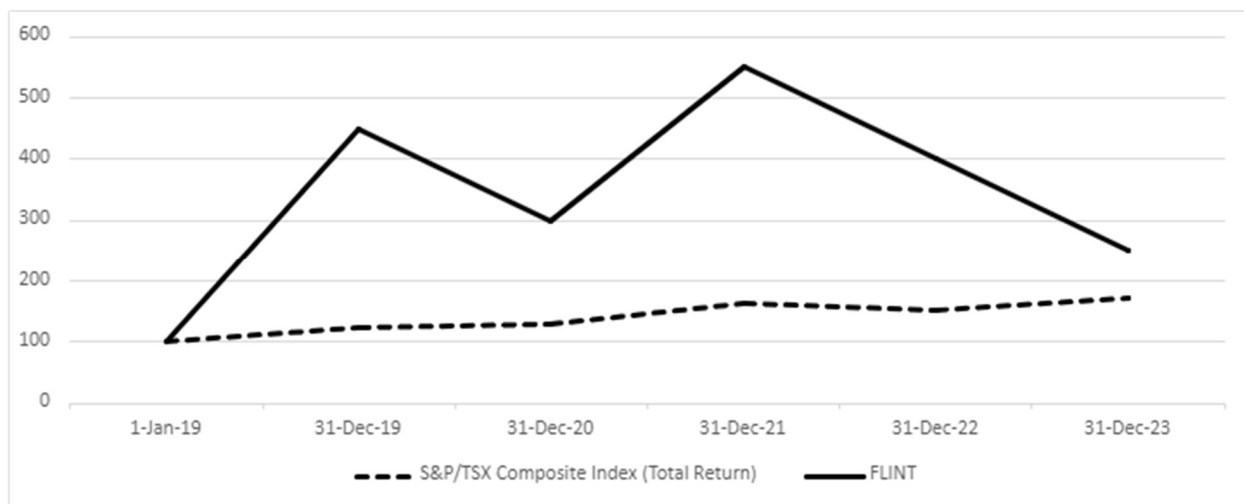

On March 12, 2024, the CGC Committee recommended (and the Board subsequently approved) the grant of PIP Awards for 2024. These awards have a three-year performance period (2024-2026) and use the same performance metrics and weightings as the 2023 PIP Award. In connection with this award, the Board established performance thresholds and target levels for each performance metric.

Burn Rate

In accordance with TSX rules, the "burn rate" is calculated by dividing the number of share-based awards granted during the applicable fiscal year by the weighted average number of Common Shares outstanding for the applicable fiscal year, expressed as a percentage. As the Company does not use share-based or option-based awards as part of its compensation programs, its burn rate was 0% during the years ended December 31, 2021, 2022 or 2023.

Performance Graph

The following graph compares the cumulative total return of the S&P/TSX Composite Total Return Index to FLINT's cumulative total Shareholder return over the period from January 1, 2019 to December 31, 2023, assuming a \$100 investment on January 1, 2019. No dividends or other distributions on the Common Shares were made by the Company during this period.

As discussed above, the CGC Committee considers a number of factors in connection with its determination of appropriate levels of compensation for Named Executive Officers. The levels of compensation for Named Executive Officers do not necessarily track the changes in the market value of Common Shares, given that the capital structure of the Company is heavily weighted to debt and preferred shares.

Pension Plan

FLINT does not have a retirement plan, pension plan or deferred compensation plan.

Termination and Change of Control Benefits

Each NEO is party to an employment agreement with the Company that sets out certain payments to the NEO upon termination of employment, as further described below. The employment agreements also provide that in the event of termination of employment for any reason, the NEO (i) will not disclose any information about the Company that is confidential, (ii) will not, without the consent of the Company, be employed by, consult with, or otherwise perform services for, own, manage, operate, join, control or participate in the ownership, management, operations or control of or be connected with, in any manner, a competitor to all or part of the business of the Company within the Province of Alberta for a period of 12 months following the date of termination, and (iii) will not, without the consent of the Company, solicit any customers, clients or employees of the Company on behalf of any third party for a period of 12 months following the date of termination.

Upon termination for cause, the NEOs are entitled to any salary and vacation pay that has accrued but not paid and to reimbursement for valid expenses for which they have not been reimbursed at the date of termination. Under the Performance Incentive Plan, PIP Awards expire immediately, and no PIP Payout is calculated or paid, for participants whose employment or services terminate during the performance period due to termination for cause.

Upon termination without cause, Messrs. Card, Desrosiers and Wotton and Ms. Stubbs are entitled to receive (i) an amount equal to their annual base salary, (ii) an amount equal to 15% of the amount in (i) to account for loss of employment benefits and perquisites, and (iii) an amount equal to their annual target bonus under the AIP (collectively, the “**Severance Payment**”). For Mr. Card, the Severance Payment is to be paid as a lump sum. For Messrs. Desrosiers and Wotton and Ms. Stubbs, the Severance Payment is to be paid by way of lump sum payment or salary continuance, at the Company’s sole discretion.

Upon termination without cause, Mr. Thomas is entitled to receive 12 months’ base salary (to be paid by way of lump sum payment or salary continuance, at the Company’s sole discretion) and is not entitled to any bonus amounts under the AIP, even if such amount would have been paid during the 12-month notice period.

Under the Performance Incentive Plan, a pro-rata PIP Payout will be calculated and paid, at the same time as other PIP Awards with the same performance period for participants whose employment is terminated without cause.

Each of the NEOs is entitled to resign from their position with the Company by providing advance written notice to the Company of their resignation of 90 days in the case of Messrs. Card, Thomas and Wotton and Ms. Stubbs and 60 days in the case of Mr. Desrosiers. Each of the NEOs is entitled to their annual base salary and benefits during this notice period, which period may be accelerated at FLINT’s option with a lump sum payment to the NEO. The NEOs are not entitled to any bonus amounts under the AIP, even if such amount would have been paid during the applicable notice period. Under the Performance Incentive Plan, PIP Awards expire immediately, and no PIP Payout is calculated or paid, for participants whose employment or services terminate during the performance period due to voluntary resignation.

The employment agreements with Messrs. Card, Desrosiers and Wotton and Ms. Stubbs contain a double trigger for transactions resulting in a change of control of the Company. In the event of both (a) a “change of control” and (b) “good reason” (as defined in the employment agreement), the executive may, within 180 days following the occurrence of the change of control, upon providing the Company with 90 days’ written notice, terminate their employment with the Company for good reason and receive (i) an amount equal to their annual base salary multiplied by 1.5, (ii) an amount equal to 15% of the amount in (i) to account for loss of employment benefits and perquisites, and (iii) an amount equal to their annual target bonus under the AIP multiplied by 1.5 (collectively, the “**Change of Control Payment**”).

The Performance Incentive Plan provides that upon the Company entering into a transaction which upon completion shall or is likely to result in a change of control, the Board may, in its sole discretion, shorten the performance period, adjust the performance measures and/or accelerate the payout determination date and settlement of the PIP Payout in respect of all outstanding PIP Awards held by any participant.

A NEO’s employment agreement terminates immediately upon their death and the Company has no further obligation to the NEO or his estate, other than for any accrued but unpaid salary or vacation pay amounts and any expenses that have not yet been reimbursed as of the date of the NEO’s death. Under the Performance Incentive Plan, a pro-rata PIP Payout for the NEO will be calculated and paid, at the same time as other PIP Awards with the same performance period.

Upon termination without cause, Mr. Watt ceased being the CFO of the Company effective March 31, 2023 and was paid, pursuant to the terms of his employment agreement, a retiring allowance of \$312,000 representing a lump sum payment equal to 12 months’ base salary. For PIP Awards held by Mr. Watt, a pro-rata PIP Payout (based on the number of months worked during the performance period) will be calculated and paid, at the same time as other PIP Awards with the same performance period.

Pursuant to the terms of his employment agreement, upon his termination of employment, Mr. Watt became subject to the following restrictions: (i) to not disclose any information about the Company that is confidential, (ii) to not, without the consent of the Company, be employed by, consult with, or otherwise perform services for, own, manage, operate, join, control or participate in the ownership, management, operations or control of or be connected with, in any manner, a competitor to all or part of the business of

the Company within the Province of Alberta for a period of 12 months following the date of termination, and (iii) to not, without the consent of the Company, solicit any customers, clients or employees of the Company on behalf of any third party for a period of 12 months following the date of termination.

The following table sets forth the estimated amounts that the Named Executive Officers employed by FLINT on December 31, 2023 would have received upon termination of employment for the various reasons outlined below, determined as if termination occurred on December 31, 2023.

Notes:

- (1) The Company has granted PIP Awards to each NEO pursuant to the terms of the Performance Incentive Plan (see "Compensation Discussion and Analysis – Components of Executive Compensation – Performance Incentive Plan"). The NEOs may be entitled to receive certain payments for their PIP Awards upon termination of employment for the reasons outlined in the table. The actual value of PIP Awards cannot be determined until the end of the applicable performance period of such award when such amounts are actually earned. For purposes of calculating the amounts shown in the table, the PIP Payout has been pro-rated based on a termination date of December 31, 2023 and assumes a target level of performance. For details regarding the grants that have been made to the NEOs, see "Compensation Discussion and Analysis – 2023 Compensation Decisions – Performance Incentive Plan – Outstanding Awards".
- (2) The Performance Incentive Plan provides that upon the Company entering into a transaction which upon completion shall or is likely to result in a change of control, the Board may, in its sole discretion, shorten the performance period, adjust the performance measures and/or accelerate the payout determination date and settlement of the PIP Payout in respect of all outstanding PIP Awards held by any participant. The actual amount that each NEO could receive in the future as a result of a change of control and the subsequent termination of their employment for good reason could differ materially from the amounts shown in the table as a result of the factors noted above and the level of performance achieved.

Directors' and Officers' Liability Insurance and Indemnity Agreements

We maintain directors' and officers' liability insurance coverage for losses to FLINT if it is required to reimburse directors and officers, where permitted, and for direct indemnity of directors and officers where corporate reimbursement is not permitted by law. This insurance protects us against liability (including costs), subject to standard policy exclusions, which may be incurred by directors and/or officers acting in such capacity for FLINT. All of our directors and officers are covered by the policy and the amount of insurance applies collectively to all. The annual cost of this insurance for the policy year ending September 5, 2024 was \$137,340.

In addition, we have entered into industry standard indemnity agreements with each of our directors and officers pursuant to which we have agreed to indemnify such directors and officers from liability arising in connection with the performance of their duties. Such indemnity agreements conform to the provisions of the ABCA.

DIRECTOR COMPENSATION

The director compensation program provides for the following annual retainers: \$225,000 for the Chair of the Board; \$120,000 for an independent director; \$15,000 for the Chair of the Audit Committee; \$10,000 for the Chair of the CGC Committee; and \$10,000 for the Chair of the HSE Committee. All annual retainers are paid monthly. Directors are also entitled to be reimbursed for reasonable out-of-pocket expenses incurred in connection with the conduct of the Company's business. Directors are not paid meeting fees and are not participants in the Performance Incentive Plan.

Looking Ahead to 2024

On March 12, 2024, the CGC Committee completed its annual review of the director compensation program. The CGC Committee recommended that the annual retainer for the Chair of the Board be increased to \$247,500 (+10%) and that the annual retainer for an independent director be increased to \$132,000 (+10%) effective April 1, 2024. In making these recommendations, the CGC Committee considered several factors, including the results of the peer group survey and the fact that the retainers were last increased in 2021. These recommended changes were approved by the Board.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

The Canadian Securities Administrators have established National Policy 58-201 – *Corporate Governance Guidelines* ("**NP 58-201**"), which sets out a series of guidelines for effective corporate governance (the "**Guidelines**"). The Guidelines address matters such as the constitution and independence of corporate boards, the functions to be performed by boards and their committees and the effectiveness and education of board members. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**") requires the disclosure by each public company of its approach to corporate governance with reference to the Guidelines.

The CGC Committee reports to the Board. The Board and senior management recognize the importance of corporate governance to the effective management of the Company and to the Shareholders and other stakeholders of the Company. The Company's approach to significant issues of corporate governance is designed with a view to ensuring that the business and affairs of the Company are effectively managed so as to enhance the value of the Company.

The following sets out the Company's approach to corporate governance in accordance with NI 58-101 and NP 58-201.

Independence of Directors

Pursuant to NI 58-101 and NI 52-110, a director is independent if such director has no direct or indirect material relationship with the issuer, which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member's independent judgment. The Board is responsible for determining whether or not each director is "independent". To assist in making such determinations, the Board assesses each member's independence against the definition of independence contained in NI 58-101 and NI 52-110.

The Board is currently comprised of Sean D. McMaster (Chair of the Board), Jordan L. Bitove, H. Fraser Clarke, Katrisha Gibson, Karl Johannson and Dean T. MacDonald, the majority of whom are considered independent (being Messrs. McMaster, Bitove, Clarke and Johannson and Ms. Gibson). Mr. MacDonald is a former executive with the Company having served as Executive Chairman (June 2015 to January 2019), Interim Chief Executive Officer (June 2017 to August 2018) and President and Chief Executive Officer (December 2008 to June 2015). Mr. MacDonald received termination payments of an aggregate of \$1,500,000 payable over 2019-2021 in connection with termination of his services, which were conditioned upon him continuing to serve as a director without remuneration for such role, and therefore is not considered independent.

The only director who currently holds directorships in other reporting issuers (or equivalent in foreign jurisdictions) is Dean MacDonald, who is a director of North Star Gaming Holdings Inc., which is listed on the TSX Venture Exchange.

To facilitate open and candid discussion among its independent directors, at each meeting of the Board and its committees, an opportunity is provided for the independent members to meet independently of the non-independent members and members of management (commonly referred to as an "in camera session"). During the year ended December 31, 2023, a total of 19 in camera sessions were held by the Board and its committees. The Board further provides leadership for the exercise of independent judgement by directors in carrying out their responsibilities by encouraging members to bring forth agenda items, by providing access to members of management and information regarding the Company's activities, and by retaining outside advisors when necessary.

The following table sets forth the attendance record of each director for Board meetings and committee meetings of the Company held during 2023:

Director	Independent	Board Meetings Attended	Audit Committee Meetings Attended	CGC Committee Meetings Attended	HSE Committee Meetings Attended	Overall Attendance
Jordan L. Bitove	Y	7/7	-	4/4	4/4	15/15 (100%)
H. Fraser Clarke	Y	7/7	4/4	4/4	-	15/15 (100%)
Katrisha Gibson	Y	6/6	2/2	-	2/2	10/10 (100%)
Karl Johannson	Y	7/7	4/4	4/4	4/4	19/19 (100%)
Dean T. MacDonald	N	7/7	-	-	4/4	11/11 (100%)
Sean D. McMaster ⁽¹⁾	Y	7/7	4/4	4/4	-	15/15 (100%)

Note:

(1) As Chair of the Board of Directors of the Company, Mr. McMaster is invited to attend the meetings of any Committee that he is not a member of. During 2023, he attended four meetings of the HSE Committee as an invited guest.

Mandate of the Board

The Board, either directly or through its committees, is responsible for the stewardship of the Company. The mandate of the Board is attached to this Circular as Schedule “A”.

The Board discusses and considers how the Company communicates with its Shareholders, other stakeholders and the public. The Board has approved a Timely Disclosure, Confidentiality and Insider Trading Policy (the "**Disclosure Policy**") covering the timely disclosure of all material information. The Disclosure Policy establishes consistent guidance for determining what information is material, how it is to be disclosed and, to avoid making selective disclosure, making all material disclosures on a widely disseminated basis. The Company seeks to communicate with its Shareholders and other stakeholders through a variety of channels, including its annual report, quarterly reports, annual information form, news releases and conference calls.

Position Descriptions

The Board has developed written position descriptions for the Chair of Board, the Chair of each Board committee and for the Chief Executive Officer.

The Chair of the Board is responsible for the overall management of the Board, including ensuring that the Board is organized properly, functions effectively and independent of management and meets its obligations and responsibilities. The Chair of the Board maintains a liaison and communication with (i) the other directors and the committee chairs to co-ordinate input from directors and optimize the effectiveness of the Board and its committees and (ii) the Chief Executive Officer to ensure that the Board receives adequate and regular updates from the Chief Executive Officer, to discuss concerns of the Board, Shareholders and other stakeholders, and to support effective relations with Board members. The Chair of the Board works with the Chief Executive Officer to ensure management succession plans are developed and implemented. The Chair of the Board also assists the CGC Committee with reviewing and assessing director performance and compensation, evaluating the size and composition of the Board and making recommendations for director nominees for election to the Board.

Information about each committee, including their terms of reference and chair position descriptions, are available on our website at www.flintcorp.com.

Orientation and Continuing Education

In accordance with its mandate, the Board ensures that new directors receive a comprehensive orientation, which includes written information about the role of the Board, its committees and its directors, the obligations of directors, the business and operations of the Company, documents from recent Board meetings, recent filings and financial information, governance documents and policies, important policies and procedures and opportunities for meetings and discussion with members of senior management and other directors. The Company is committed to providing all new directors with such information as they require in order to become familiar with the nature and operation of the Company's business and the Board's procedures.

To foster the familiarity of the Board with the on-going operation of the Company's business, the Board from time to time invites senior management to attend at meetings of the Board to report on their respective business unit activities. In addition, as part of their continuing education, the Board receives presentations and materials from management and outside professional advisors with respect to business and industry risks and new developments, regulatory requirements, corporate governance and market conditions. Directors also attend an annual strategy session with management. Each director is responsible for ensuring that they maintain the skill and knowledge necessary to meet their obligations as a director. The directors are encouraged to participate in continuing education opportunities in order to keep current on developments in the Company's industry, various aspects of corporate governance and other matters relating to serving on the board of a public company.

Ethical Business Conduct

The Company has adopted a Code of Conduct and Ethics Policy (the "**Code**") that applies to all directors, officers, employees and service providers (each, a "**Covered Party**"). The principles of the Code encourage and promote a culture of ethical business conduct by establishing standards of conduct by which each Covered Party must abide. There have been no material change reports filed since the beginning of the Company's last financial year that pertain to any conduct of a director or executive officer that constitutes a departure from the Code.

Each Covered Party has a responsibility to: (i) avoid apparent or actual conflicts of interest; (ii) avoid actions or behaviours that could create an uncomfortable or hostile work environment; (iii) protect the Company's assets; (iv) ensure confidential information remains confidential; (v) discharge their duties in compliance with applicable laws; and (vi) report violations of the Code of which such Covered Party becomes aware. The Board, through the Chief Financial Officer of the Company, is responsible for monitoring compliance with the Code. Upon accepting a position with the Company, a new director, officer, employee or service provider is required to provide an acknowledgement of their commitment to comply with the Code. In addition, each Covered Party is required to acknowledge their compliance with the Code on an annual basis.

A copy of the Code is available under the Company's profile on SEDAR+ at www.sedarplus.ca (filed on April 30, 2020).

Pursuant to the ABCA, a director who is a party, directly or indirectly, to a material contract or transaction or proposed material contract or transaction with the Company is required to disclose to the Company the nature and extent of their interest and must abstain from voting on any resolution to approve the contract or transaction. Under the Code, directors are also obligated to conduct all business affairs in the best interests of the Company by dealing with various stakeholders in a manner that avoids real, perceived or potential conflicts of interest.

To foster openness, honesty and accountability, the Board has also adopted a Whistleblower Policy wherein employees, contractors and suppliers of the Company are provided with a mechanism by which they can raise concerns in a confidential, anonymous process.

Compensation

The CGC Committee, which is composed entirely of independent directors, reviews and recommends to the Board for approval the compensation for the Company's directors and officers. This committee has written terms of reference (as set out below in further detail) that clearly establish the committee's purpose, membership qualification, appointment and removal of members, structure and operations, and manner of reporting to the Board.

Nomination of Directors

The CGC Committee, which is composed entirely of independent directors, functions as the nominating committee of the Board and is responsible for making recommendations to the Board with respect to the appropriate size and composition of the Board and as to candidates for election or appointment as directors. From time to time, the Board may also form ad-hoc committees in order to retain search firms and other advisors as necessary in order to recommend to the Board new candidates for independent directors to join the Board.

In making recommendations respecting the nomination of a director, the CGC Committee considers, among other factors, the competencies and skills that the Board needs to possess as a whole (taking into account the corporate strategy), the competencies and skills of current Board members, the competencies and skills that a new director nominee will bring to the position, and whether or not a new nominee can devote sufficient time and resources to their duties as a Board member. The Board believes that it currently is an appropriate size to facilitate efficient and effective decision-making.

Diversity

In accordance with Canadian securities legislation, TSX-listed companies are required to disclose certain information in their management information circulars relating to their gender diversity policies and practices.

Effective December 1, 2022, the Board adopted a written policy that set forth the Company's approach to achieving and maintaining diversity on its Board (the "**Board Diversity Policy**"). The Company is of the view that Board appointments should be based on merit and is committed to selecting the best people to fulfill these roles. At the same time, the Company recognizes that a board made up of highly qualified directors from diverse backgrounds benefits from the contribution of different perspectives, skills and experiences, promoting better corporate governance. In selecting qualified candidates to serve as directors of the Company, a wide range of diversity criteria are considered, including skill, knowledge, experience, education, gender, ethnicity and age. Legal and regulatory requirements, such as those relating to residency and independence, are also taken into account.

The CGC Committee reviews and assesses Board composition and recommends the appointment of new directors. In carrying out these duties the CGC Committee:

- considers the benefits of all aspects of diversity including, but not limited to, those described above, in order to maintain an appropriate range and balance of perspective, skill and experience on the Board;
- considers candidates based on merit with due regard for the benefits of diversity in identifying suitable candidates for nomination or appointment to the Board;
- in addition to its own search and if deemed appropriate, engages qualified independent external advisors to conduct a search for candidates that meet the Board's skills and diversity criteria; and

- maintains flexibility to effectively address succession planning and to ensure that the Company continues to attract and retain highly qualified individuals to serve on the Board.

The Board Diversity Policy included a target to add one female director to the Board before the 2023 annual meeting of Shareholders. This target was achieved on March 27, 2023 with the appointment of Katrisha Gibson as a director. The Board is currently comprised of six directors, with one identifying as a woman (being 17% of the total number of directors).

The Company does not have a written policy or target regarding women in executive officer positions within the Company as the Board does not believe that quotas, strict rules or targets necessarily result in the identification and selection of the best candidates. Currently two of the Company's seven vice presidents are women (28%) and one of its four executive officers is a woman (25%). The Company expects to consider the diversity of the workplace in the selection process for executive officers and vice presidents, in addition to the expertise and experience requirements of the position. The Company is committed to providing an environment in which all employees are treated with fairness and respect and have equal access to opportunities for advancement based on skills and aptitude.

Assessments

The Board is responsible for ensuring that processes are in place and are utilized to assess the effectiveness of the Chair of the Board, the Board as a whole, each committee of the Board, and each director.

On an annual basis, the Chair of the Board meets individually with each director to discuss (i) the effectiveness of the Board, (ii) the competencies and skills the Board needs to possess as a whole, (iii) the Board's processes and the appropriateness of the meeting materials, (iv) their relationship with the Chief Executive Officer of the Company and the other members of the Executive Leadership Team, and (v) their future plans.

In 2023, each director completed three confidential written surveys: (i) the Board and committee assessment survey (to provide directors with an opportunity to evaluate how effectively the Board and its committees are operating and to provide constructive input for the improvement of the Board and its committees); (ii) the director peer and self-assessment survey; and (iii) the Chair of the Board assessment survey.

The Results of the Board and committee assessment survey were summarized and presented to the Board at a meeting on September 21, 2023. The results of the director peer and self-assessment survey were provided to the Chair of the Board who met with each director individually to discuss any issues with an emphasis on maximizing the contribution of each director to the Board and continually improving the effectiveness of the Board. The results of the Chair of the Board assessment survey (and the results of the director peer and self-assessment survey for the Chair of the Board) were provided to the Chair of the CGC Committee who met with the Chair of the Board to discuss the results and identify any action items.

Director Term Limits / Board Renewal Policies

The Company has not adopted term limits for members of the Board. Directors who have served on the Board for an extended period of time are able to provide valuable insight into the operations and future of the Company based on their experience with, and understanding of, the Company's history, policies and objectives. All of our directors are engaged and bring demonstrable skill to the Board, allowing the Board to operate efficiently and effectively. The Board believes that the imposition of director term limits on a board implicitly discounts the value of continuity amongst board members and runs the risk of excluding experienced and potentially valuable board members as a result of an arbitrary determination. On an ongoing basis, a balance must be struck between ensuring that there are fresh ideas and viewpoints while not losing the insight, experience and other benefits of continuity contributed by longer serving directors.

In light of the foregoing, the Board regularly assesses the effectiveness of the Board as a whole, its committees and individual directors.

Audit Committee

Pursuant to NI 52-110, the Company is required to have an audit committee. The Audit Committee's responsibilities include: reviewing and recommending to the Board for approval the Company's financial statements, management's discussion and analysis, annual information forms and all public disclosure containing audited or unaudited information; ensuring adequate procedures are in place for the review of the Company's public disclosure of financial information extracted or derived from its financial statements, and periodically assessing the adequacy of such procedures; recommending to the Board the appointment and remuneration of the external auditor; overseeing the work of the external auditor, including meeting with the external auditor independently of management and resolving disagreements between the external auditor and management; reviewing the audit plans of the external auditor; pre-approving any non-audit services to be provided to the Company by the external auditor; reviewing the Company's internal control systems and procedures with management and the external auditor; reviewing management's plans regarding any changes in accounting practices or policies; establishing procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal controls or auditing matters, and for the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters, including violations of the Company's Code of Conduct and Ethics Policy; and reviewing and approving any proposed hiring by the Company of current or former partners or employees of the current and former external auditor. All of the members of the Audit Committee, being Messrs. Clarke (Chair), Johannson and McMaster and Ms. Gibson are "independent" and "financially literate" within the meaning of NI 52-110.

Further information concerning the Audit Committee, including the text of the charter of the Audit Committee, is contained in Section 8.2 as well as Appendix "A" in the Company's annual information form dated March 12, 2024 for the year ended December 31, 2023 (the "**2023 AIF**"). The 2023 AIF is available under the Company's profile on SEDAR+ at www.sedarplus.ca (filed on March 12, 2024).

Corporate Governance and Compensation Committee

The Board has constituted the CGC Committee to assist the Board in fulfilling its responsibilities in regard to (i) the Company's overall approach to corporate governance, including corporate governance policies and practices and identifying candidates for election as directors; and (ii) the Company's compensation strategy, policies and programs.
